Hi Jeaneanne,

I just spoke with Tony, who relayed the conversation y'all had this afternoon.

Regarding the Robert Glover case, I understand you'd like to know what the injunctive relief was. An AOC was issued in February whereby Mr. Glover agreed to fully restore all of the aquatic resources that were impacted (i.e., 5 acres of wetlands and 1300 linear-feet of streams).

- Do you need any additional information, or does this capture it?

Regarding the need to set-up a call with FDEP to discuss ESA, we are very happy to do that, but I have a few clarifying questions.

- Do you want to plan to participate, and if so, should we coordinate the scheduling with Pam?

Ex. 5 Deliberative Process (DP)

- I'm at the Tampa airport waiting to get on a flight that leaves in 45 minutes. Do you have time to talk? I can be reached at Ex. 6 Personal Privacy (PP)

Thanks.

Tom
